RE: ADDENDUM NO. 3 TO REQUEST
FOR PROPOSALS (RFP)
PACKAGE

Twin Hills Airport Rehabilitation
Design Services
RFP No. 25232006

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Submittal deadline has not been changed.
2. QUESTION & ANSWER:

Q: Why is a new Property Plan required? The SREB site plan shows the proposed SREB being placed to the east of the existing SREB. After seeing the figure included with the RFP, it looks like property acquisition won't be needed. Is this correct?

A: Reference Request for Proposals Package, Proposed Statement of Services, Appendix B, Article B10.5.6 Airport Property Plan and Airport Acquisition Plat: a new property is not being acquired. However, the Airport Property Plan is old. A new property plan is required to update the datum and linework, and confirm ownership.

All other terms and conditions remain the same.

END OF ADDENDUM
